

Ideal for one or several classrooms, easily connecting paper to digital.

Why choose the DataLink 1200?

- Works with DataLink Connect software to deliver immediate results with detailed analysis and proficiency reports
- Combines objective and subjective scores on select answer sheets
- Offers over 30 formats of low-cost answer sheets
- Provides fast document scanning at up to 35 sheets per minute
- Scores exams with up to 200 questions (100 questions/pass)
- Captures full 10-digit ID field for data collection and reporting

Apperson

Bridge Paper and Digital

DataLink Connect test scoring and reporting software enhances Apperson’s already smart scanners. It allows you to link questions to learning objectives/standards, view and print a variety of reports as well as transfer results to popular gradebooks or Microsoft Excel.

- DataLink 1200 Purchase Includes:**
- DataLink™ 1200 scanner
 - DataLink™ Connect software
 - USB cable
 - 2 Ink Cartridges
 - Power Supply*

**International power supply sold separately*
