

The most versatile auto-feed scanner, built to handle everything from small quizzes to large-volume assessments.

Why choose the DataLink 3000?

- Processes tests in large volumes, scanning at up to 60 pages per minute
- Works with DataLink Connect software to deliver immediate results with detailed analysis and proficiency reports
- Scores exams with up to 150 questions
- Captures pre-printed test data via barcode reader
- Captures full 10-digit ID field for data collection and reporting

Apperson
DataLink™ Connect

Bridge Paper and Digital

DataLink Connect test scoring and reporting software enhances Apperson's already smart scanners. It allows you to link questions to learning objectives/standards, view and print a variety of reports as well as transfer results to popular gradebooks or Microsoft Excel.

- DataLink 3000 Purchase Includes:**
- DataLink™ 3000 scanner
 - DataLink™ Connect software
 - USB cable
 - 3 Ink Cartridges
 - Power supply*

**International power supply sold separately*
